

School of Christian Formation On-Line “Cliff Note Directions”

What follows are directions for the new Level II on-line opportunity being sponsored in conjunction with the Diocese of Palm Beach. Three things to keep in mind:

- 1) You only have to register once. Keep your student number handy for additional classes. Classes are \$30 each.
- 2) Be patient, the system takes a while to load.
- 3) The DOSA Office of Christian Formation will receive your completion record and forward it to the proper location. This is to make the webmaster’s job easier.

There is a five step walk through process after you have entered the Searchlight Site. (www.Searchlightvs.com) Follow the directions for the Diocese of St. Augustine into the School of Christian Formation.
